Why this location for a Barcelona Hostel?

We are glad to offer you this hostel in the heart of Passeig the Gràcia in Barcelona, because this street was designed from the beginning to be Barcelona's Grand Avenue, and is also home to Gaudí's most accomplished work and one of Modernism's best examples, the Pedrera or Casa Milà. Today passeig the Gràcia is an eminently commercial avenue, in the style of the great European boulevards. That's why we are so proud of having a hostel in this location.

Persons under the age of 18 years are only allowed to **stay in private rooms or dormitory rooms** that are booked for use of one family or group of persons, and can not share dormitory rooms with other guests. People under 18 years old must travel with their parents or legal tutor.
